Dear Colonel Frink:

Thank you for your response of June 5, 1985, to our earlier comments and questions regarding Phase I IRP efforts at Ft. Bliss. Based on your written response, as well as information obtained from Mr. Rab during telephone conversations with Mr. Greg McCabe of my staff, we have no additional questions at this time regarding the Phase I report. Should conditions develop which would necessitate further EPA involvement at some future date, we will contact you at that time.

Please keep us informed of any significant environmental developments which might occur, including the scheduling of any subsequent Phase II efforts. Should you have any questions, please contact Greg McCabe at (214) 767-3705.

Sincerely,

/s/ Samuel Nott
